Public Attendance at Council

We are happy to see residents take an increased interest in council meetings and other Village affairs. We have a few reminders for those looking to get more involved:

- For general comments you can contact us via phone, email, letter, or official Village Facebook page. Or just stop in the Office and we will help you however we can!
- Official complaints to Council must be made in writing and must be signed and dated. (If you contact the Office we may be able to help you without submitting an official complaint.)
- If you want to speak at a Council Meeting you must be listed as a delegation (contact the Office to find out more).
- We are always happy to hear new ideas for how we can make Hussar a better, stronger and more beautiful community!

Frequently asked questions:

Q. Is the tree pile behind the gun range open?

A. No, this pile was closed August 15, 2019. All wood needs to be taken to the transfer station. The Chip Pit accepts clean bare lumber, trees cut to 10 ft lengths, brush, pallets, and branches. There is also a bin for pressure treated wood.

Q. Do I need a development permit?

Thinking of putting up a fence, garden shed, garage, deck or doing some work on your house this year? Not sure what types of development and building permits you need? The Village Office can help!

A. Development permits are issued by the Village Office and are generally required for any building or addition to a building. Development permits are granted based on the Village's Land Use Bylaw. Any construction that does not require an approved permit (for example a fence), still must comply with the Land Use Bylaw or you can apply for a variance. Please read our Land Use Bylaw 493-14 for more information or contact the Village Office.

Q. Do I need an animal license?

A. Yes, ALL dogs and cats within the Village must be licensed. Spayed/neutered Cats & Dogs are \$10, all others are \$20 (third pet is \$50 and requires an application to be filled out and approved by Council as per the Animal Control Bylaw). This includes all indoor and outdoor cats and dogs. Failure to obtain a license could result in a penalty of \$150. Please read our Village of Hussar Animal Bylaw 485-13 for more information or contact the Village Office.

Q. Can I set off fireworks in the Village?

A. Fireworks are not allowed unless you receive permission from Council and the fire department. 8.1(s) No person shall discharge fireworks or incendiary devices within the Village without Council and Fire department consent. {Which could result in a \$1000 minimum penalty} Please read our Village of Hussar Fire Bylaw 501-15 for more information or contact the Village Office.

Q. Can I take materials from the Village piles at the campground, or use Village equipment?

A. No these materials and equipment are all property of the Village of Hussar and are not for public use. If you have any further questions, please contact the Village Office. Permission may be given on a case-by-case basis

Q. I have an idea for community involvement?

A. We are happy to see residents take an increased in our community! Put together a proposal and present at our Regular Council Meetings held the second Thursday of every month! If you want to speak at a Council Meetings you must be listed as a delegation (contact the Office to find out more). We are always happy to hear new ideas for how we can make Hussar a better, stronger and more beautiful community!
