## COVID-19

The Village Office will continue to monitor updates provided daily by the Provincial and Federal Governments. In order to help prevent the spread we have closed our Office and Shop doors to the public at this time. We are still operational, however, we will only see people by appointment and can be reached at 403-787-3766 or by email at [office@villageofhussar.ca](mailto:office@villageofhussar.ca). Bill payments can be made through the drop slot in the Office door or by e-transfer to [office@villageofhussar.ca](mailto:office@villageofhussar.ca)

If you need to self-isolate please contact the Office so we can notify our Emergency Management Committee and help you with any arrangements for supplies you may need. Self-isolation can help prevent the spread of COVID-19. If you are required to self-isolate, follow these guidelines:

- Stay home – do not attend, work, social events or any other public gatherings
- Avoid close contact with other people – especially seniors and people with chronic conditions or compromised immune systems
- Monitor for symptoms like a dry cough, fever, fatigue or difficulty breathing

How can I follow along and stay-up-to-date with new developments?

- Visit [alberta.ca/COVID19](http://alberta.ca/COVID19) for the latest information.

## Upcoming Events

### Regular Council Meeting

April 9, 2020 7:00 p.m.

### Good Friday (Office Closed)

April 10, 2020

### Easter Monday (Office Closed)

April 13, 2020

---

**Have an event?** Community groups can ask that their events be placed on our Facebook page, Website and in the Newsletter. Contact the Village Office with your event details!

All Albertans have a responsibility to [help prevent the spread](#). Take steps to protect yourself and others:

- practice social distancing
- stay home and away from others if sick or in isolation
- practice good hygiene
  - wash hands often
  - cover coughs and sneezes with your arm, not hand
  - avoid touching face
- monitor for symptoms: cough, fever, fatigue or difficulty breathing

To prevent the spread of respiratory viruses, including COVID-19, among seniors and other vulnerable groups:

- Only essential visits to any continuing care or long-term care facility in Alberta are recommended.
- Individuals over 60 years of age and those with pre-existing health conditions are most at risk of severe symptoms from COVID-19.
- Families and friends of those in these facilities are asked to think of other ways besides visiting that they can support and encourage their loved ones through this difficult time.

If symptoms develop:

- take the [COVID-19 self-assessment](https://myhealth.alberta.ca/Journey/COVID-19/Pages/COVID-Self-Assessment.aspx) online at <https://myhealth.alberta.ca/Journey/COVID-19/Pages/COVID-Self-Assessment.aspx>
- call [Health Link 811](#) for instructions and testing

\*If you are having issues with your payments please contact us and we will make payment arrangements on a case by case basis at this time.

We are a strong community and we will make it through this pandemic with the help of everyone in the Village! Stay safe and healthy and thank you for your cooperation during this time of uncertainty. We would also like to thank all the front line /essential workers for your hard work!

## Think Before You Flush!

Please remember that the following items should **not** be disposed of by pouring them down the drain or in the toilet. These items can harm sewer pipes that are connected to the Village sewer system.

- 
- |                             |                      |
|-----------------------------|----------------------|
| • Bathroom wipes            | • Paper towels       |
| • Fats, oil and grease      | • Cigarette butts    |
