## **Annual Performance Plan (A.P.P.'s) Community Priorities:**

Community approved APP's for your Area

- (1) Community engagement
  - a) Crime Reduction rural crime

### **(1) Community engagement:**

#### **a) Live Communications.**

Bassano Detachment started a live reading program on Tuesdays via Facebook to connect with our community resident's youth. So far in the month of April we completed 4 reading sessions and 1 information session on Bike safety. This will continue during the regular school year.

### **(2) Crime Reduction Rural/ Copper Patrols**

#### **a. Rural patrols**

With recent Covid 19 Concerns, Bassano Detachment is determined to stay on top of helping to prevent crime and be more visible in our rural areas to keep residents safe and stay engaged. Therefore, we have greatly increased our rural patrol in your areas during these unprecedented times.

- **Bassano Detachment continues to take rural property crime as its top priority. Therefore, we have made serious efforts in increasing the amount of patrols in rural farm properties, and the Downtown area located in Hussar and Wheatland County.**

#### **b. Copper theft patrols.**

Bassano Detachment continues its new intelligence-sharing program to help combat copper theft in our detachment area. This has helped us identify hot spot areas where we can allocate more resources to these areas and greatly increase patrols.

- We have started our copper theft operations with our specialized RCMP intelligence units in beginning of April. \* Due to the sensitive nature of operations, details will not be discussed in this report.

\*A patrol consists of a minimum of 45 minutes in the said area.

#### **c. Community relation**

- We have continued our proactive communication with the public through monthly news briefs with tips and tricks and Facebook posts. **Newspaper release may be suspended during COVID-19 concerns**

**(3)Traffic:**

Due to Covid-19 concerns, we continue to patrol our roads to keep residents and motorists safe, but we will be suspending mandatory alcohol screening without grounds due to health concerns with Covid-19 transmission temporarily. This does not mean that we will not enforce the law as it comes to road safety, or stop our efforts to keep impaired drivers off the road; It just means we will be changing some of our tactics.

- Covid-19. Bassano RCMP is dedicated to keep our level of service to our communities at a high level, but when possible will limit close contact and speak with residents over the phone to limit their risk and ours to Covid 19 transmission.

**New Community Concerns (Update on concerns raised in the past if not yet resolved):**

- With the suspension of some criminal record services, we assume this may cause some issues with our level of service in that regards. We have been dedicated and proactive in keeping our residents updated on any changes in this respect.
