27	I think we need to seriously look at the viability as a village!	11/2/2020 5:02 AM
28	The village should get rid of the run down buildings, abandoned houses, old churches so that the village looks alive. Trails and green space will not attract new people when the village looks dilapidated.	10/23/2020 9:37 AM

The big house that just got moved in west of the village is a re-purposed house! It is a great way to have nice homes and a lesser cost.	10/23/2020 9:37 AM

1	Yes we definitely need more businesses to attract people to live here and a lot of commuters.	11/10/2020 10:52 AM
2	1) Yes, we need more residential and commercial base. 2) We need to become a place to visit tourist wise 3) We need to expand Campground so it will give Village a source of income 4) We need to attract canoes/kayak onto lake/ also we need lake front property for village with a beach for kids to play at. 5) Mae trees/hedgesso Village becomes a place where people are awe struck at how beautiful Village is - walking paths, badminton/volleyball count 6) Niche businesses that attract people like gallenes or second hand antique shops. Make it eay to set up shop in hussar. 7) More businesses and more residential housing to expand tax base. Infill is better so we don't have to expand out infrastructure system. 8) Low cost affordable senior housing so seniors can stay in Village > maybe with a visiting nurse/ homecare. 9) Do an ad campaign to attract younger families. Reach out to businesses and people to move here. Explore a model that allows people to fix up and expand their houses/businesses without thinking their assessment will double increasing their tax load.	11/10/2020 10:23 AM
3	No, just realize you can't have everything.	11/10/2020 10:00 AM
4	yes development will raise our assessment base and reduce property taxes	11/10/2020 9:54 AM
5	Yes.	11/8/2020 9:03 PM
6	commericial business	11/8/2020 6:14 PM
7	Yes	11/7/2020 3:52 AM
8	more businesses or industry that would create and attract employers that need and prefer local residents	11/6/2020 10:55 AM
9	Hussar should always stay as a small town I don't think we need to expand a lot.	11/5/2020 11:50 AM
10	We should be annexed by the County. There is not enough tax base to maintain our current facilities and infrastructure let alone adding anything	11/5/2020 11:44 AM
11	I think it does need to grow. Taxes are already high enough so it would be nice to see our town grow!	11/5/2020 11:23 AM
12	Absolutely. Our property taxes are getting ridiculous for the amenities we have and the value of housing because of it. Resale value is not good out here which doesn't make you want to add value to your property because you won't get what you put into it if it came time to sell. We need more businesses and job opportunities to draw people to the community.	11/4/2020 9:12 AM
13	Yes we are to small and do not have enough businesses to remain viable as an independent community. We need to address this in order to remain viable or seriously look at devolving into a hamlet to share the tax burdens with the county	11/4/2020 9:06 AM
14	Yes, definitely. We need something to attract people. A mini golf course, trails, wind surfing, winter activities like crokeincurl	11/4/2020 2:49 AM
15	Yes it needs to grow	11/3/2020 7:36 PM
16	It would be beneficial for the hussar village to grow and gain efficiencies in size but i am not sure how you attract people to the area	11/3/2020 7:13 PM
17	Yes I think so	11/3/2020 6:31 PM
18	Yes	11/3/2020 5:32 PM
19	We need to keep selling our vacant houses and trying to develop more residential areas. Need to make Hussar desirable and accessible to our young residents. I have heard of many that are interested in moving back here and making Hussar their home. However the lack of affordable homes to buy is a deterrent.	11/3/2020 3:46 PM
20	Yes it needs to grow, but not viable in this economy	11/3/2020 1:28 PM
21	Get abandoned or buildings that look abandoned either restored or removed.	11/3/2020 1:10 PM
22	Growing will definitely help with taxes as well as encouraging any kind of industrial and commercial development. Make the lots affordable so taxes can be collected over years to	11/3/2020 12:53 PM

come. Encourage a builder to build if lots are cheap. Keep the aesthetics high but practical	
also.	

23	Hussar needs to be annexed by the County. The rate base can not handle increased taxes, especially in this economical climate, and the Village can not afford what we need to stay relevant and prosper.	11/3/2020 11:36 AM
24	I think yes	11/3/2020 11:34 AM
25	I believe growth would help, taxes are very high compared to neighbouring towns.	11/3/2020 11:31 AM
26	Yes we need to attract people to town amd develop what we can. Many people have never heard of the village and we should be advertising more. The village has reasonable prices for lots and yet no one knows anything about it.	11/3/2020 7:48 AM
27	Everybody wants to grow, it seems. But I fear that the trend is ie other direction over time, a has been going on in probably all rural communities for a long time, when they don't benefit from adjacency to big city sprawl (like Strathmore benefits from Calgary commuters and business etc)	11/2/2020 6:39 PM
28	Absolutely	11/2/2020 5:02 AM
29	The village needs to attract businesses and industry. If there are local jobs a younger group will come here. The village needs to promote how it supports home-based businesses like the vac trucks, heavy equipment operators, vehicle repair shops, windshield repairs and hairdressers that are already in the village. The skating rink and curling rink are a main attraction to the village but there is no gas station. If they put in a credit card usage at the self-serve it will benefit the village. The village needs to make main street more appealing and not appaulling!	10/23/2020 9:37 AM
30	Yes it needs to grow. Also need to encourage new residents to become active in the community. We are losing so many people who have volunteered to keep our organizations and programs going in the past - we need to get the new people as well as some of the younger people more involved. We are losing community spirit.	10/22/2020 12:49 PM
31	Yes Hussar needs to grow, especially on the attraction of new business which would then increase job opportunities, housing development and population	10/22/2020 11:16 AM
32	Hussar is a farming community. Retirees and commuters live here. Let's start with making the village beautiful and retaining the folks that already live here	10/22/2020 8:05 AM
33	No. I think it the town were to grow taxes would continue to increase not decrease as there would be more need for town maintenance ect	10/21/2020 5:15 PM
34	Yes a little bit	10/21/2020 5:14 PM
35	Yes having growth is never a bad thing to keep the community alive and active	10/21/2020 5:13 PM
